Ushered into art by the avant-garde of the early 20th Century. Taken to a new level by Aalto. A symmetrical arrangement of rectangular prisms, crafted with ultra-precision. A masterpiece through and through. Transcending aesthetic and technical boundaries. Cut with diamond, for edges and surfaces that verge on perfection. Enhanced with surface structures that create fascinating contrasts. A testimony to the discerning taste of its owner.

Model:ST51109LSS
Single lever sink mixer
(Pull-Out with Dual Spray)
Finished:Brushed Steel

Aalto's presents a sleek kitchen tap that will makes your work at the sink easier, and impressive functionality. Beautifully designed and an optimum workflow at the sink.

Pull out taps are highly versatile, and suitable for a range of tasks, such as cleaning your sink, filling pots and pans, and washing fruit and vegetables. Cutting down on the time it would take to complete these tasks with a standard kitchen mixer tap, pull out taps can even help lighten your kitchen workload.
