BURNT ENDS BAKERIES

BURNT ENDS BAKERY DEMPSEY HILL

At Dempsey Hill, Burnt Ends Bakery blends rustic charm with modern design, defined by stone slab tiles and a sleek concrete counter. As an extension of the Michelin starred Burnt Ends restaurant, it is Singapore's only bakery with a custom wood bread fired oven, setting it apart in both character and craft.

The bakery features an inviting outdoor seating area that also transforms into a versatile event space, complete with a bar and barbecue setup. Guests can enjoy an array of sweet and savoury creations, from signature wood fired sourdough loaves and indulgent filled brioche doughnuts to hearty beef pies and whole tarts served in the afternoons. With items freshly baked in limited batches, every visit promises something special, available on a first come first served basis.

BURNT ENDS BAKERY AUDI HOUSE OF PROGRESS

Burnt Ends Bakery at Audi House of Progress brings the bakery's wood fired craft into the heart of the city. The space mirrors Audi's sleek modern aesthetic, with clean design and a contemporary energy, while carrying the distinct character of Burnt Ends Bakery.

This outpost offers an elevated grab and go experience, showcasing the bakery's most popular items, from signature filled brioche doughnuts and wood fired sourdough loaves to seasonal bakes and specialty coffee. With its central location and refined setting, it is also well suited for corporate activations, events, and gifting, extending the Burnt Ends Bakery experience beyond Dempsey Hill.
