

SECURE YOUR PEACE OF MIND WITH NEW CAR WARRANTY.

FIRST AND SECOND YEAR – BMW NEW CAR WARRANTY.

This commences upon the first date of vehicle registration or first use, and has a validity of twenty-four months, with no limitation on the distance.

Any confirmed defects in manufacture or workmanship are corrected without cost to the owner. This will be attached to the vehicle and will be transferred to the subsequent owner, if the vehicle is sold.

The following work is deemed not to be attributable to the manufacturing process after six months, and is therefore, not covered: Adjustments, rattles, squeaks, noises, tightening, cleaning and lubrication. This also includes wheel alignment, wheel balancing, handbrake adjustment and the checking and re-positioning of the vehicle's lighting system.

The warranty coverage against defects in respect of materials or workmanship cannot be extended to cover items which are deemed to be service related, components that may require periodic replacement or adjustment as a normal part of motoring components with a limited life expectancy unless required as part of a valid claim.

These items include but are not limited to:

Wiper blades	Brake discs	Fuses
Drive belts	Bulbs	Fluids
Spark plugs	All rubber bushings	Lubricants
Brake pads	Filters	

The BMW warranty cover does not include outside influences. Tyres are covered by a separate warranty provided by the tyre manufacturer.

THIRD YEAR ONWARDS – BMW EXTENDED WARRANTY.

The BMW Extended Warranty is limited to a maximum distance of 200,000 km or up to the number of years from the date of first registration, whichever comes first. Service work has to be carried out in accordance with the manufacturer's specifications.

The warranty coverage against defects in respect of materials or workmanship cannot be extended to cover items which are deemed to be service related, components that may require periodic replacement or adjustment as a normal part of motoring, and components with a limited life expectancy unless required as part of a valid claim on an associated component.

Other exclusions include but are not limited to:

- | | |
|--|--|
| <ol style="list-style-type: none"> 1 Consumables such as wiper blades, filters, drive belts, spark plugs, brake pads, brake discs, bulbs, rubber bushings 2 Fuel and contamination in the fuel system 3 Damage to paint finish, body, cover and panels 4 Wear and tear in the interior (e.g. interior trim, covers, arm rests and handles) 5 Damaged glass (e.g. mirrors, windows, windscreens and headlights) 6 Seals and sealing work of any type (except for cylinder head gaskets) | <ol style="list-style-type: none"> 7 Starter batteries 8 Adjustment works, wind, squeaking, rattling noises and odours 9 Tyres, wheel balance weights and wheel damage 10 Repairs of accessories that were not original manufacturer's equipment and were not ordered with the new car 11 Repairs for which the car user is responsible (e.g. engine damage due to deficiency of engine oil, participation in race events, and works by unauthorised persons) |
|--|--|

Kindly note that the scope of services, terms, conditions and exclusions may change from time to time without prior notice in accordance with the manufacturer's guidelines.

Your warranty does not cover the following items:

This warranty cannot be extended to cover items which are deemed to be service related, adjustments, components that may require periodic replacement or adjustment as a normal part of motoring, components with a limited life expectancy and, therefore, subject of exclusion from this warranty cover unless required as part of a valid claim on an associated component.

For Generation 5 BMW i Models, the high voltage batteries are covered by eight-year warranty, limited to maximum distance of 160,000 km, whichever is earlier.

YOUR RESPONSIBILITIES UNDER THE WARRANTIES.

Your warranty will not cover any liability for death, bodily injury or damage to property or any other consequential loss or damage.

- 1 Service work has to be carried out in accordance with the manufacturer's specifications.
- 2 Ensure you observe any warning lights or symbols displayed by your BMW car's management system.
- 3 The warranty for defects is excluded if the defect is caused by the following instances:
 - i) installation of parts into the new BMW vehicle and the use of which have not been approved by the manufacturer; and
 - ii) alteration of the new BMW vehicle or parts which have not been approved by the manufacturer.
- 4 Ensure your BMW car is not used for courier purposes, competitions, rallies, or race events.
- 5 Any damage to or defect in the vehicle caused by poor or insufficient servicing will not be remedied under the vehicle's warranty.
