When you submit the online forms via our websites, you should at least receive an automated response within a few minutes. If however, you didn't receive any automated reply, it could be due to:-

- wrong email address entered into our form
- our email reply is in your **Junk** or **Spam** folder
- technical issue in our system

If you did not receive any automated reply, you may wish to send us an email to make your enquiry.

Please note that upon submission of our Quote Form, you should receive an almost instant quote on our charges (for most services) via email.

Please be informed that we do not send unsolicited emails or spam mails, and you may whitelist the emails originating from the domain of *@law.com.sg.
